

**ERDF156 data dissemination – User Information on 2012 Ortho imagery, Digital Terrain Model (DTM) and Digital Surface Model (DSM) of the Maltese islands as acquired from the ERDF156 EU funded project headed by the Planning Authority, PA (then Malta Environment and Planning Authority in 2012).**

### **Spatial Data Projection**

All ERDF156 datasets available for download are provided in their native projection - UTM ED50 (EPSG23033)

### **Copyright**

The copyright of any data emanating from any of the deliveries covered by the ERDF156 project data supplied is vested in the PA and will remain vested in the Planning Authority (PA).

### **Publication and Value Added**

For the sole purpose of these ERDF156 datasets and subject to the approval of PA which shall not be unreasonably withheld, any *user* will be allowed to publish information of works derived from this dataset and no fee shall be payable as related to the data. *The User* must also observe and acknowledge the citation as follows:

***ERDF 156 data, (2013), Developing National Environmental Monitoring Infrastructure and Capacity, Malta Environment & Planning Authority.***

Note that this ERDF derived data is disseminated free-of-charge and *the user* binds oneself to abide by this requirement. In the circumstance where the "Intended use of the data" is such that charges are contemplated, only the Value-Added component is to be given a financial tag. *The user* is to inform PA in writing, prior to disseminating the said data, on the reason for charging. Agreement on the terms and conditions on downloading of this dataset means that *the user* is binding oneself to legal responsibility emanating from misuse of the onward selling of any ERDF 156 data.

### **Indemnity**

*The user* shall indemnify and hold harmless the PA against all actions and liabilities of whatever nature or description (including expenses and legal costs incurred in connection therewith) in any way arising out of:-

- (i) Any act or omission of the PA in the purported accuracy or performance of data and information within the context of this Agreement
- (ii) Any use of, or anything done or omitted to be done in reliance upon the data and Information or the result thereof by *the user* or any third party even if such action claim or liability arises out of non-provision of accurate information by the PA

The user shall not make any claim or bring any action or proceeding against the PA in respect of any expenses incurred by or any loss of or damage to any property or injury or death to any person or consequential losses sustained by *the user* as a result of any act or omission of the PA data or purported reliability of the information provided as acquired from the ERDF156 project.
